About CentrePeace

The concept of CentrePeace had lived in the hearts of a small group of friends for some years until a suitable place was found and the dream started to become a reality.

CentrePeace first opened its doors in May 2013 and, thanks to the many volunteers, past and present, who have freely shared their time and energy, it has established itself as a welcoming, affordable, and friendly meeting place for the local community. We host a wide variety of creative and teaching groups and workshops, as well as a free counselling service.

Please check out the notice board or ask at the desk for details.

CentrePeace relies on donations and income from our shop and café to cover our running costs, so that we can provide as much community support as we can, free of charge.

We are also very grateful to the National Lottery Community Fund for their generous support.

A BIG THANK YOU TO EVERYONE WHO SUPPORTS US!
